## **Chapter 2**

5) Very few books survive a century, let alone two thousand years! What is the Bible’s secret? Who are some of the famous men throughout history who have been influenced by it?

6) What exactly is prophecy? Why is it so very important? Can you name three prophecies concerning Jesus' birth, His Life or His crucifixion? Why are these important to you? Why do these prophecies prove the Bible's accuracy? (See pages 36-38)

7) Israel became a nation on May 14, 1948. Why is this, such an important feat?
